Stars and Stripes

July 2, 3, 5, and 6*, 9:15 am-1:15 pm

Let's celebrate 4th of July all week long! Enjoy making fun stars and stripes art projects in red, white, and blue. We will not have camp on Wednesday, July 4th.

Ocean Adventures

July 9-13, 9:15 am-1:15 pm

Have fun making ocean animal crafts and snacks this week! We will even create our own ocean mural throughout the week by using paint, torn paper, crepe paper, stickers, crayons, and more fun art supplies!

Kindergarten Readiness

July 16-20, 9:15 am-2:15 pm*

Help incoming kindergarteners transition from preschool into a more academic learning environment. The curriculum will focus on following directions, developing important pre-reading and pre-writing skills, learning to rotate in groups, and work independently in literacy and math centers. The lessons will follow an animal theme for the week.

Cookin' Up Summer Fun!

July 23 - 27, 9:15 am-1:15 pm

Children will have the opportunity to learn a little bit about cooking. They will create unique projects made out of food and learn how to make some yummy snacks.

Each week themes will be explored through crafts, snacks, stories, and games. The children will spend some time playing outside in our large fenced playground as weather permits and can escape the heat in our air-conditioned classrooms.
