

**Garrett Park
Nursery School**

2021 SUMMER PROGRAMS

For Ages 3 - 4 years

Dynamite Dinosaurs

July 12-16, 9:15 am-1:15 pm

We'll have a roaring good time as we explore all things dinosaur with Ms. Jenn and Ms. Laura! Your budding paleontologist will go on a scavenger hunt for dinosaur bones, make dinosaur eggs, and jump into the prehistoric dinosaur world during daily story time.

Let's Go Camping!

July 19-23, 9:15 am-1:15 pm

Get ready for some camping-inspired fun! Join Ms. Sarah and Ms. Jenn as we build tents, tell stories around the "campfire", set off on nearby nature hikes, and more! Of course, we wouldn't forget about the S'mores!

GPNS is a cooperative nursery school in Garrett Park, MD that has been offering a play-based, high-quality educational program for over 60 years.

During our Summer Program, children will play, learn, socialize, and discover in a safe, stimulating, and age-appropriate environment with our own experienced GPNS teachers!

Each week our playful themes will be explored through enriching hands-on play, stories, music, games, cooking, and art. The children will spend most of the day learning through play in our outdoor playground and nature-play spaces. We will also take some opportunities to escape the heat in our air-conditioned classrooms with brand-new top of the line air purifiers.

Rates

\$325/week

\$300/wk for enrolled GPNS students

Registration Opens March 26th for GPNS Members & March 28th for the public!

www.garrettparknurseryschool.org

Program space is limited and enrollment is on a first-come, first-served basis. After submitting your registration form, you will receive an email from GPNS to let you know your registration status (enrolled or waiting list). Once your registration has been accepted, we will send additional health and safety forms as well as payment information. For more information about summer program registration, please contact summer@garrettparknurseryschool.org.

COVID Safety Measures

- Our program will primarily take place outdoors, with some indoor time.
- Our classrooms have been equipped with high-quality air purifiers and windows will remain open for increased air circulation.
- Social distancing and mask-wearing will be highly encouraged for children and mandatory for adults.
- Daily health screenings for all staff and students upon arrival.
- All teachers will be fully vaccinated for COVID.
- Increased and continuous cleaning and disinfecting of rooms and materials.
- Increased hand-washing.
- Reduced class size and compliance with all CDC and MD COVID guidelines.
- We will follow the current MCPS travel policy for attendees and staff, found [here](#).
- All registrants will receive our COVID policy manual and must submit a signed COVID policy agreement prior to beginning camp.
- Procedures will be subject to change in the case that the State of MD alters or amends COVID restrictions.
